Dear Ms. Hathaway:

This is a request under the Freedom of Information Act as amended (5 U.S.C. 522). I request a copy of:

LEO Systems Program Office, U.S. Navy/NRO Program C Electronic Intelligence Satellite(1958-1977), September 3, 1998.

The FOIA provides that if only portions of a record are exempted from release, the remainder must be released. I therefore request that I be provided with all nonexempt portions which are reasonably segregable. I particularly request that it be kept in mind that there may exist reasonably segregable portions of classified paragraphs. I also request that any present classified material be considered for declassification.

To permit an intelligent, informed decision as to whether or not to file an administrative appeal of any denial decision, I also request that you describe in detail the withheld records (or portions thereof) and explain the logical and factual basis for exemption claims. See Mead Data v. Department of the Air Force 566 F.2d 242, 251 (D.C. Cir. 1977).

I also request a fee waiver. The fee waiver provisions under section 552 (a) (4) (A) of the FOIA, as amended on April 25, 1987, rewrote section 552 (a) (4) (A) to create categories of requesters entitled to fee waivers. Under those provisions, I qualify for exemption from fees in the "news media" category. The U.S. Court of Appeals for the D.C. circuit has unanimously held that for FOIA fee waiver purposes "representatives of the news media" includes any individuals who regularly publish or disseminate information to the public. (See National Security Archive v. U.S. Department of Defense, No. 88-5217, D.C. Circuit, July 28, 1989, as well as Electronic Privacy Information Center v. U.S. Department of Defense No. 02-1233, United States District Court for the District of Columbia, January 16, 2003).

I easily meet this criteria as a result of my books and articles, which have appeared in a wide variety of publications. (A vita is available upon request). My books include *Spying of the Bomb: American Nuclear Intelligence from Nazi Germany to Iran and North Korea* (WW Norton, 2006); *The Wizards of Langley: Inside the CIA's Directorate of Science and Technology* (Westview, 2001); *America's Space Sentinels: DSP Satellites and National Security* (University Press of Kansas, 1999); *The U.S. Intelligence Community* (Westview, 4th ed.1999); *A Century of Spies: Intelligence in the Twentieth Century* (Oxford, 1995); and *America's Secret Eyes in Space* (Harper & Row, 1990).

NRO Approved for Release
4 March 2011

My articles and commentaries have appeared in *Scientific American*, *Air Force Magazine*, *Bulletin of the Atomic Scientists*, *Jane's Intelligence Review*, *International Journal of Intelligence and Counterintelligence*, *ISR Journal*, *Armed Forces Journal International*, *Defense Week*, *The National Interest*, *the Washington Post*, *the Los Angeles Times*, *the Boston Globe*, and *Newsday*.

My intended use of the material requested above, in light of my extensive publication record, clearly meets the criteria established by statute and case law for preferred fee status under the FOIA as a representative of the news media. As such a representative I am entitled to have search and review fees waived. And given the contribution of my work to enhancing public understanding of the government operations I request that you also waive reproduction fees.

I am willing to fees associated with this request, but if it is expected that any fees are to be charged I be notified in advance.

I look forward to your response within the statutory time period. If you have any questions about this request or any other matters, please contact me at **b6** (phone), **b6** (fax), or **b6**

Sincerely,

Jeffrey T. Richelson

Unless otherwise specified, the relevant time period for the documents identified in this request is March 10, 1994 to date.

Although we have made this request as specific as possible, please feel free to contact me if there are any questions regarding the scope of this request or if any additional information is necessary before it can be fulfilled. In addition, if this request should be addressed to any other governmental offices in addition to yours, please advise me to that effect.

We hereby agree to pay any applicable fees for searching for, reviewing, or copying the records in the amount of up to one thousand dollars (\$1,000). If it is estimated that your total fees in this matter would exceed \$1,000, please advise me in writing of the estimated amount of such fees, the basis on which they have been calculated, and any applicable procedure for seeking a waiver of such fees on the grounds that fulfillment of this Freedom of Information Act request would be in the public interest.

If all or any portion of this Freedom of Information Act request is denied in whole or in part, please advise me in detail in writing of the reasons for such denial and the specific exemption or exemptions to disclosure that you believe to be applicable, and please advise me of the applicable procedures through which I may appeal any such denial.

Thank you in advance for your anticipated prompt response to this request. As noted above, please feel free to contact me at any time with any questions concerning this request.

Very truly yours,

Ira Brad Matetsky

Dear Sir,

This is a non-commercial request made under the provisions of the Freedom of Information Act 5 U.S.C. 552. Pursuant to the U. S. OPEN Records Act of 2007, my FOIA requester status as a "representative of the news media" -- a status entitling me to full waiver of your agency's records-processing fees incident to your fulfilling this request. For examples of my various publication credits in this regard, I refer you to my radio network, and my own personal radio show (syndicated on FM and AM stations) at <http://www.blackvaultradio.com>. My internet website <http://www.theblackvault.com> which holds a vast government document database, along with many freelance articles that I have written, which have also been published in magazines and websites, including OpEdNews.com, UFO Magazine, FATE Magazine, and others.

Additionally, I agree to pay fees up to ten dollars.

In FOIA Request #F00-0084, I requested a copy of the "Jeremiah Report, or a summary of the Jeremiah report." In response, I received a 30 page document that was Executive Summary... however, am curious if there is a full report that this "executive summary" is summarizing.

Therefore, I respectfully request a copy of the full Jeremiah report, assumedly titled, "Report to the Director, National Reconnaissance Office, Defining the Future of the NRO for the 21st Century. Final Report" dated 26 August 1996.

Thank you so much for your time, and I am very much looking forward to your response. Please know that electronic delivery of the requested material or correspondence related to this case is preferred and accepted in lieu of paper copies via snail mail.

Sincerely,
