OK

MEMORANDUM FOR: Acting Chief, DPD

SUBJECT: Project ARGON

REFERENCE: Memorandum to AC/DPD from
DPD/C/SPB; subject: Status of the
ARGON Program; dated 14 February
1962 

1. Referenced memorandum has been overtaken by events and the following is my understanding of the Agency's role in the ARGON program:

- a. COMOR will establish requirements for camera coverage and the distribution and priorities of the product.
- b. DPD will plan, direct, and control ARGON camera program.
- c. DPD will provide and operate the Control Center and communication facilities in support of ARGON operations.
- d. DPD will provide transportation of "take" from  to the consumer.
- e. Dr. Charyk's office will maintain liaison with other government agencies for data reduction and exploitation of the product.
