7 July 1967

MEMORANDUM FOR RECORD

SUBJECT: Disclosure of "the fact of" Satellite Reconnaissance

This most welcome and entirely unexpected memorandum arrived today. The DIA had processed the USIB's disclosure proposal through the JCS as a memorandum; General Wheeler had initialed it; it went to Mr. McNamera; one hour later it was back with his non-concurrence.

Safe for 1967!

PAUL E. WORTHMAN
Colonel, USAF
