MEMORANDUM FOR DR. McLUCAS

SUBJECT: Briefing for Secretary Rogers

At the right is a new draft of your briefing to Secretary Rogers. This is significantly revised from the previous draft.

You will recall that the briefing is scheduled for Tuesday, November 17, from 3:00 to 4:30. You are scheduled first, followed by Adm Gayler and then General Bennett. Each speaker is allocated twenty minutes.

Your comments on the previous draft have been incorporated; however, we have left one blank where we are not sure of the trade-off you were considering. We will prepare the briefing in final form based upon your desires and comments on the draft.

Included in the binder are selected photographs of hardware. We will provide additional descriptions for any you choose to use.
