MEMORANDUM FOR: Contracting Officer, DPD-DD/P 7 January 1959

SUBJECT : Contract Amendment No. 3, with MSD, LAC

REFERENCE : Memorandum for the Record, dated 2 January 1959  
[redacted]

1. I have signed off on the amendment No. 3 contract concurrence document. I note that we now estimate the total of the Lockheed prime contract at [redacted]. This figure does not in the least surprise me but I want to remind you that the last time I talked to [redacted] he was estimating a total of only [redacted].

2. At an appropriate time I would like to be told exactly what is included in the estimated total in the reference. Specifically, am I correct in assuming that this does include the cost of the programming?
