NRO ACTION MEMORANDUM NUMBER 16

SUBJECT: CORONA Photographic Experiments Evaluation Committee

An Ad Hoc Committee to be known as "CORONA Photographic Experiments Evaluation Committee" is established to:

- (1) analyze and evaluate the effectivity of photographic flight and processing experiments performed within the CORONA program (CR-1 and CR-5 inclusive);
- (2) recommend standard future CORONA photographic configurations resultant from the above experimental program; and
- (3) recommend additional CORONA photographic flight and processing experiments.

The following persons are appointed members of this committee:

- [REDACTED] CORONA Project Office, Chairman
- NRO
- SPPF, Westover
- CIA
- NPIC
- TTEK

The committee shall:

- (1) operate under the direct authority of the DNRO;
- (2) have access to all portions of the CORONA Satellite Program;
- (3) develop and present to the DNRO, within 60 days after the completion of the CR-5 mission, a final report.

Members of the committee shall meet at the call of the Chairman at times and places he may designate and will remain so constituted until the DNRO has accepted the final report.
