10. CORONA and ARGON Reports:

(a) CORONA: General Ritland has recommended to General Schriever temporary suspension of further CORONA launches, pending a review of all but the basic propulsion systems. [REDACTED] will attend the 30 November regular CORONA Progress Meeting here in Washington, and will have more to report at the next meeting on status of future shots.

(b) ARGON: Camera and component designs have now been frozen. ITXK is now out of the picture on camera testing for the ARGON configuration. An ARGON Progress Report Meeting will be held here in Washington on 30 November, following the CORONA meeting.
