MEMORANDUM FOR: Chief, Special Projects Branch, DPD
ATTENTION : CORONA Section
SUBJECT : Mission Requirements for CORONA Mission 9036
REFERENCE : [redacted] dated 14 May 1962

1. The targets for Mission 9036 have been posted and are current as of 14 May 1962.
2. Priority requirements remain the same as for Mission 9034 with the following changes:
 - a. The area of Tambov south to the Black Sea has been enlarged slightly eastward to include Kapustin Yar and the Saratov-Kuybyshev complex.
 - b. A single target ([redacted] Alykel Suspect SSM Area) has been added in the vicinity of Norilsk. A "Y" program to cover this target on one or two passes would be advisable.
