SUGGESTED COMMENTS

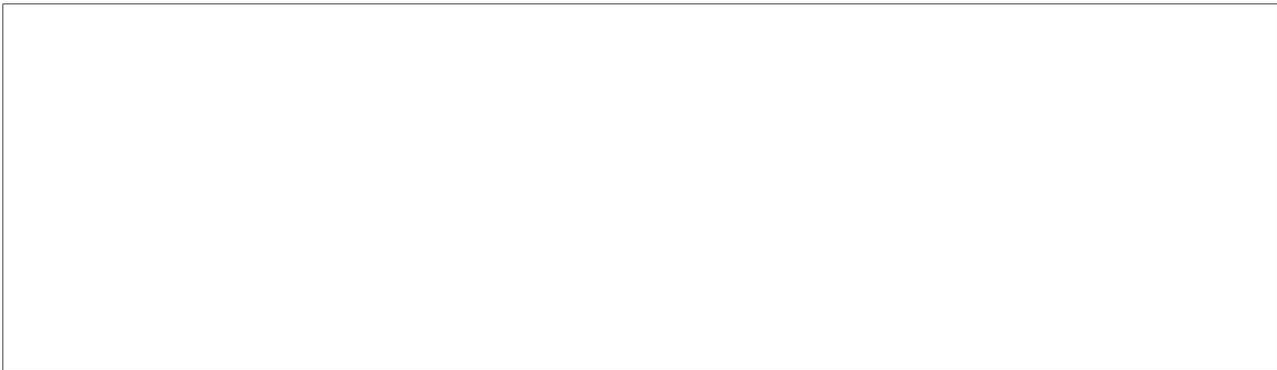

FOR

MR. REED PRIOR TO THE SAFSP AWARD CEREMONY

IT IS INDEED A PLEASURE TO ONCE AGAIN HAVE THE OPPORTUNITY TO PASS ON TO YOU MY PERSONAL GRATITUDE FOR THE TREMENDOUS JOB YOU HAVE DONE FOR YOUR COUNTRY, THE NRO, AND THE AIR FORCE. I ASKED FOR THIS CLASSIFIED SESSION SO THAT I COULD MORE ADEQUATELY POINT OUT JUST A FEW OF YOUR NOTABLE ACCOMPLISHMENTS OVER THE PAST FEW YEARS AND TELL YOU JUST WHAT THEY MEAN TO US IN TERMS OF NATIONAL SECURITY.

GAMBIT

THE FIRST SIGNIFICANT EVENT THAT I RECALL WAS THAT OF GAMBIT 47 PROVIDING THE BEST INTELLIGENCE PHOTOGRAPHS IN THE

HEXAGON

ANOTHER WAS IN THE HEXAGON PROGRAM WHICH HAS BEEN RESPONSIBLE FOR OVER 90 PERCENT OF THE NATION'S PHOTOGRAPHIC INTELLIGENCE OF THE SINO-SOVIET BLOC. THEY HAVE PROVIDED OUR ONLY VIABLE MEANS

OF VERIFICATION UNDER THE SALT AGREEMENTS--THE MOST RECENT  
BEING A COMPREHENSIVE SURVEY OF THE SS-7 AND SS-8 SITES.

LAUNCH SUPPORT

IN ADDITION TO THE SUCCESSFUL LAUNCHES OF YOUR OWN  
SPACECRAFT INTO PERFECT ORBITAL POSITIONS, YOU HAVE LAUNCHED  
SATELLITES FOR PROGRAMS B AND C. TWO NEW SATELLITE PROGRAMS  
WERE SUCCESSFULLY ESTABLISHED WITH THE LAUNCH OF PARCAE

MISSION 7108 [REDACTED] 1976 AND KENNEN [REDACTED] ON  
 DECEMBER 1976. THIS NOT ONLY REPRESENTS THE BEGINNING OF  
 ORBITAL MISSION LIFE OF THESE SATELLITES, BUT THE CULMINA-  
 TION OF YEARS OF EFFORT FOR THE INDIVIDUALS RESPONSIBLE  
 FOR THE INTEGRATION OF SPACECRAFT AND BOOSTER, THE DESIGN  
 AND MANUFACTURE OF LAUNCH BASE HARDWARE, THE ANALYSIS OF  
 AEROSPACE VEHICLE ENVIRONMENTS AND LOADS, AND THE TESTING  
 OF SYSTEMS AND TRAINING OF LAUNCH AND SUPPORT PERSONNEL.

AS YOU CAN SEE, WE, IN WASHINGTON, COUNT ON YOU A GREAT  
 DEAL AND CONSIDER THE SUPERB JOB YOU ARE DOING VITAL TO  
 OUR NATIONAL DEFENSE EFFORT. FROM THE INCEPTION OF YOUR  
 ORGANIZATION, YOU HAVE BEEN ABLE TO OPERATE WITH PROPORTIONATELY  
 FEWER MEN AND WOMEN FOR THE JOB BECAUSE OF THE QUALITY OF  
 PEOPLE YOU HAVE PICKED--TOP CALIBER, BEST IN THE AIR FORCE  
 INVENTORY, AND I HEARTILY AGREE WITH THIS CONCEPT AS IT HAS  
 PROVEN HIGHLY EFFECTIVE OVER THE YEARS.

I WANT YOU TO KNOW THAT I PERSONALLY APPRECIATE THOSE  
 MANY LONG HOURS OF OVERTIME, HOLIDAY, AND WEEKEND DUTY, AS  
 WELL AS SACRIFICES MADE BY YOUR FAMILIES. IT'S JUST ONE  
 MORE INDICATION THAT YOU ARE A HIGHLY DEDICATED, SELECT  
 GROUP OF PEOPLE.

## POUCH HANDLING INSTRUCTIONS

GENERAL:

A lockable-pouch will be provided and each book will be in a sealed envelope with extra envelopes provided. It is recommended that the material stay sealed except when the Secretary is using it.

PASSING INSTRUCTIONS:

3 February, Los Angeles: At the end of the day, leave the pouch in SAFSP-3 with Mr. H. Cohen or Staff Officer.

4 February, Los Angeles: At 0800, [REDACTED], SAFSP-3, will contact you at your Marriott room for meeting instructions. He will be available to hold pouch and assist as necessary until your departure from Los Angeles. In the event of a contingency, he will proceed to planeside with the pouch and await your arrival.

CITATION TO ACCOMPANY THE AWARD OF  
THE AIR FORCE ORGANIZATIONAL EXCELLENCE AWARD

TO

OFFICE OF SPECIAL PROJECTS

OFFICE OF THE SECRETARY OF THE AIR FORCE

The Office of Special Projects, Office of the Secretary of the Air Force, distinguished itself by exceptionally meritorious achievement in support of activities of national significance from 1 July 1974 to 30 June 1976. During this period, the Office of Special Projects brought this nation within reach of major space capabilities of the highest national importance. The dedication and superior leadership displayed by the personnel of this office directly contributed to significant achievements of this space program and to the security of the United States. The singularly distinctive accomplishments of the members of the Office of Special Projects reflect great credit upon themselves and the United States Air Force.

## CITATION TO ACCOMPANY THE AWARD OF

THE LEGION OF MERIT  
(FIRST OAK LEAF CLUSTER)

TO

RAYMOND E. ANDERSON

Colonel Raymond E. Anderson distinguished himself by exceptionally meritorious conduct in the performance of outstanding achievement as Deputy Director, System Development, Office of Special Projects, Office of the Secretary of the Air Force, Los Angeles Air Force Station, California, from 8 July 1976 to 13 December 1976. His exemplary leadership, technical know-how and ceaseless personal efforts during this period of very high stress, resulted in correction of a number of anomalies which threatened a spacecraft of the highest national importance. His personal contributions, and the effects of his inspirational efforts, were responsible for detailed analyses and unique solutions which not only preserved the capabilities of the satellite but also enabled the achievement of several record setting accomplishments. The superior initiative, outstanding leadership, and personal endeavor displayed by Colonel Anderson reflect great credit upon himself and the United States Air Force.
