Office of the Director Announcement

Number 2016-28

19 September 2016

2016 National Intelligence Exceptional Achievement Medal

I am pleased to announce that [redacted] United States Air Force, has been selected to receive the 2016 National Intelligence Exceptional Achievement Medal. This award was established to recognize an exceptional contribution to the Intelligence Community (IC) and the United States. The award was presented at a ceremony on 8 September 2016 at [redacted]

(b)(3)

[redacted] was directly responsible for the success of the Aerospace Data Facility Colorado in meeting multiple IC needs for our nation and allies. His exceptional accomplishments in evolving space protection collaboration with national organizations and the space operations community significantly enhanced the quality, integration, and utility of space asset threat intelligence products provided to national decision makers.
