I've attached his request. He only wants an index of the videos. He's a frequent FOIA requester so I'm sure he will post it to his website www.theblackvault.com.

Let me get this straight; he just wants an index list, not the actual videos? For what purpose? Do we get to see the actual request?

Eventually OS&CI [Redacted] will have the opportunity to review the list, but I can definitely task them this time around. However, please only review the [Redacted] video titles and I'll task [Redacted] to review all of the other OS&CI video titles. Sorry for any confusion.

Thanks,

Due to the numerous videos on the list by OS&CI, shouldn't the OS&CI front office [Redacted] see this one too? I can only respond regard the few by [Redacted] Please let me know.

Thanks,
