**ORGANIZATIONAL ANNOUNCEMENT**

(U//~~FOUO~~) I am pleased to announce the selection of Dr. Troy Meink as the Director, Geospatial Intelligence Systems Acquisition Directorate, effective 15 May 2017.

(U//~~FOUO~~) Dr. Meink has almost 30 years of service as a federal employee within the Intelligence Community and Department of Defense. He is currently the Assistant Director of National Intelligence for Systems and Resource Analyses. Prior to that, he served as the Deputy Under Secretary of the Air Force for Space and the Director, Executive Agent for Space Staff. In addition, he served as the Director, Signals Intelligence Systems Acquisition at the National Reconnaissance Office (NRO) from 2008-2013.

(U) Please join me in congratulating Dr. Meink on his return to the NRO and offer your full support as he assumes his new position.

Betty J. Sapp  
Director
