Closure Recommendation Memorandum

Case Number: 20-0004-C	Date of Entry: 14 January 2020
Primary Investigator:	(b)(3)

Allegation Information

Narrative:

(U//~~FOUO~~) The National Reconnaissance Office (NRO) Office of Inspector General (OIG) received information alleging that Complainant received a Letter of Reprimand from Subject because the contractor that Complainant was the COTR for does not like her. Complainant alleged that she wanted to have the contract competed and that the contract was not being awarded a 100% award fee, which caused the contractor to dislike her. Complainant alleged that personnel with the contractor submitted a complaint against her, and that the outcome was the Letter of Reprimand, which Complainant felt factually inaccurate.

Last Investigative Step:

(U//~~FOUO~~) Correspondence with complainant about confidentiality.

Resolution:

(U) Unresolved

Case Closure Recommendation Justification

Additional Information:

(U//~~FOUO~~) OIG requested complainant make a determination about waiving confidentiality on 21 October 2019. As of 14 January 2020 and after several attempts for her to make a determination, complainant has not responded to OIG's request. Without complainant's approval to release her name to individuals required to provide information in this case, OIG can't proceed with the inquiry. Recommend the case for closure.
