Closure Recommendation Memorandum

Case Number:	20-0020-C	Date of Entry:	02/01/2020
Primary Investigator:	[redacted]		(b)(3)

Allegation Information	
Narrative:	
(S//TK) An anonymous complaint alleged that [redacted] and Government personnel stole proprietary concepts, including revenue approach from [redacted]. The program name is [redacted].	(b)(3) (b)(1) (b)(3)

Last Investigative Step:	
(U) Attempts to contact a [redacted] employee at the NRO via NMIS were unsuccessful. OIG obtained enough information internally to resolve the case as unsubstantiated.	(b)(3)

Resolution:	
(U) Unsubstantiated	

Case Closure Recommendation Justification	
Additional Information:	
[redacted]	(b)(1) (b)(3)
(U// FOUO) An employee of [redacted] with a valid CWAN account did not respond to a request for a meeting.	
(U// FOUO) Recommend this case be closed as unsubstantiated. There is no evidence of theft of a trade secret, NRO is not responsible for the acquisition or building the [redacted] and [redacted] cable route is different from the one currently being acquired. In order for the accusation to be substantiated, an individual would have had to take [redacted].	(b)(3)
