

UNCLASSIFIED//~~FOR OFFICIAL USE ONLY~~

Closure Recommendation Memorandum

Case Number:	20-0025-1	Date of Entry:	10/16/2020
Primary Investigator:			

(b)(3)

Allegation Information

Narrative:
 (U//~~FOUO~~) Complainant related concerns regarding Raytheon's business practices (charging work hours) pertaining to Raytheon employees assigned to [redacted] who are awaiting security clearances processing.

(b)(3)

Last Investigative Step:
 (U//~~FOUO~~) MOI 1 20-0025-1 [redacted] Interview

(b)(3)

Resolution:
 (U) Unsubstantiated

Case Closure Recommendation Justification

Additional Information:
 (U//~~FOUO~~) Recommend case be closed as unsubstantiated. There is no information indicating a matter that would require investigation. Additionally, per the cognizant Contracting Officer, the charges were allowable and any charges to the awaiting access pool that were deemed impermissible were shifted from direct to indirect. Any further investigation would not result in recoverable funds, and efforts were undertaken by the Contracting Officer to bring down the charges.
