Case Closure Recommendation Justification

Additional Information:
Spoke with [redacted] the GSA attorney working the case. She said they were thinking of merging this case with the [redacted] case, but they conducted relator interviews and the relators offered "nothing"; they were not knowledgeable. She thinks this case will go nowhere, and it's in a monitor status. She will keep me posted. [redacted] is the investigator assigned to the case. Basically the same agencies, including DOJ, are assigned to the case as the Adobe I case.

Recommend closing this case per conversation with GSA attorney above.
