MEMORANDUM FOR DR. McLUCAS

SUBJECT: NASA Use of CORONA

Dr. Newell has conveyed to you his inability to accept, at this time, the offer of CORONA vehicles for use in the NASA earth resources program (TAB A). He has asked that we consider appropriate steps to maintain resources which could support NASA should they be able to use the CORONA in the future, specifically in the case where vehicles may become excess to our needs. We have conveyed these desires to Gen King's people, asking for their consideration of Dr. Newell's requests.

Recommend that you sign the letter to Dr. Newell at TAB B.
