

EXECUTIVE ORDER 12333

PFIAB Report Finding: "Executive Order 12333 directs the development of procedures for transferring the tasking authority of NRO activities from the DCI to the Secretary of Defense upon Presidential direction...very little has been accomplished to define and plan for this crucial connection." (TS/B)

THE PFIAB REPORT REAFFIRMS THE NEED TO CONTINUE OUR ONGOING EFFORTS. (U)

- This issue is not being ignored. A senior level working group has been established to resolve the complex problems associated with effecting and planning for this transfer of authority. The full range of national, military, and continuity of government requirements is being considered. (S)
