Good morning [Redacted]

We saved the documents we found in the shared drive location you indicated in the TIER. Again, thank you for giving OPA the extra time to sift through our archives to make sure these are the right documents; the most responsive documents.

(b)(3)

Also, please note that the RECON documents saved in the [Redacted] folder look like they were saved in PDF format, [Redacted] You will probably need [Redacted] to open them. I tried opening them with our standard PDF program, but it didn't work and because of that attempt, the documents look like they were "converted and saved" as PDFs.

If you have any questions, please let me know. I hope our response satisfies this request. Thank you.

Best,
