Good Afternoon	(b)(3
Unfortunately, we are not the originators of the document and therefore cannot portion mark it. We can identify which	
portions we want to review and only send you those portions. will still need to conduct a review for	
classified equities.	
Another option would be to work with (or his backfill), who conducts the declassified review for classified documents.	
Please let us know how you would like us to proceed.	
Thank you,	
	(b)(3
