[Redacted] - greetings!

I've looked into this case per your request. It has been initiated, but the review teams have not yet looked at it. Because it's one of your 10 oldest cases, I know you're interested in closing it out, so I'll ask the case manager when she returns next week to push it forward.

As for a projected completion date, I'm sorry that I can't be more specific than to say it won't be completed until mid-2021 at the earliest. Again, though, I'll ask the case manager to push it along, and if I can give you a more optimistic forecast, I'll let you know.

Hope all is well in your shop,
