=====

I talked to [Redacted] today about 00062 and [Redacted] - there's one document that she wanted to add to [Redacted], but didn't know (b)(3)
where to put it in that folder. I told her to just put it loose in [Redacted]. She said that it mainly has [Redacted] equities and they feel (b)(3)
it's very sensitive, but it's responsive to both?

She said she'd send an email about it.
