REF: FOIA Cases F-2018-00070
Request Control Number 1025

Dear Mr. Greenwald:

This is in response to your request dated and received in the National Reconnaissance Office (NRO) on 28 March 2018. Pursuant to the Freedom of Information Act (FOIA), you are requesting a copy of **"the SPACE SENTINEL, Winter 2003 edition."**

We have accepted your request. It will be processed in accordance with the FOIA, 5 U.S.C. § 552, as amended.

Since we may be unable to provide a response within the 20 working days stipulated by the Act, you have the right to consider this a denial and may appeal on this basis to the NRO Appellate Authority, 14675 Lee Road, Chantilly, VA 20151-1715 after the initial 20 working day period has elapsed; doing so, however, would exhaust your administrative appeal rights. To preserve these rights, we recommend that you allow us sufficient time to continue processing your request and respond as soon as we can. You will then have the right to appeal any denial of information after you receive a final response from us. Unless we hear otherwise from you, we will assume that you agree and will continue processing your FOIA request on this basis.

The FOIA authorizes federal agencies to assess fees for record services. Based upon the information provided, you have been placed in the "educational/scientific/media" category of requesters. Requesters in this category are generally responsible for duplication fees (\$.15 per page) exceeding 100 pages. Additional information about fees can be found on our website at www.nro.gov. We will notify you in advance if it appears the processing of your request will exceed the \$15.00 you indicated a willingness to pay.

If you have any questions, please call the Requester Service Center at (703) 227-9326 and reference case number F-2018-00070.

Sincerely,

A handwritten signature in cursive script, appearing to read "Patricia B. Cameresi".
