(b)(3) 31 USC § 711

Sorry for the delay.

First, I don't have any upcoming leave outside of the federal holidays until the end of March. Please let [Redacted] know (b)(3) she can come by any time to pick up the PNM notes. Just give me a heads up on time/date and I'll have them ready. She can also pick them up in conjunction with the first meeting set up. I've listed scheduling restrictions for the various entities you've requested below.

1) [Redacted] (b)(3)
[Redacted] doesn't have any leave planned in the next few weeks and is open to your availability. He asks that you give him a heads up on some of the questions because he pulled a lot of those records and did the research to get you the info, but he would need to brush up on some of the details depending on the questions asked.

2) SHARP [Redacted] (b)(3)
- The SHARP contracting team can work around your availability, but would prefer if it were +2 weeks out if possible.

(b)(1) 3) [Redacted] (Program #3):
(b)(3) - The history your team is looking for does not reside in the contract team itself, as the organization is a transient one by nature of its personnel makeup provided from other organizations. However, the Deputy Director of the program office, [Redacted] has made himself available. He was the [Redacted] for the program office when the contract was first let (b)(3) and through the transition from Cost Plus to Fixed Price. He would be the most knowledgeable on the decision processes behind the contract.

His schedule availability for the next 2 weeks is below:

(b)(3)

- Feb 22nd - 0800-1200
- Feb 23rd - 1000-1400
- Feb 28th - 1200-1600
- Mar 2nd - 0800-1400

Let me know if you have any questions and what dates you prefer for which meetings.

Thanks!

V/R

Hey great--thanks, guys! [Redacted] if you hear anything, please write to my internet email address: [Redacted] or call me at [Redacted]. Many thanks [Redacted].

(b)(3) 31 USC § 711

To reiterate our requests for 100646, we need to meet with:

(b)(3)

- 1) [Redacted] (Compliance Officer, NMIS), to clarify and ask for some additional information on the DCI data he provided to us;
- 2) SHARP [Redacted]: contracting staff, for a detailed contract/incentives follow up discussion;
- 3) [Redacted] (Program #3): former (knowledgeable) contracting staff for the program; sounds like the lady my team met with was new

(b)(3)

(b)(1)

(b)(3)

And we need to pick up the last set of NRO-reviewed PNM notes.

Cheers!
