Happy New Year to you as well! I'll check with the various offices this week and see what availability folks have.

Hi [Redacted] and happy new year! I hope you had a relaxing and fun holiday season. Colorado was lovely over Christmas this year, unseasonably warm!

My team and I are back in the swing of things at work now, though, and we are requesting several meetings with NRO folks. If you could please help us schedule the following meetings, we'll be well on our way to completing our work on this engagement. In no particular order, we need to meet with:

(b)(3)

- 1) [Redacted] (Compliance Officer, NMIS), to clarify and ask for some additional information on the DCI data he provided to us; (b)(1)
- 2) the contracting folks for SHARP (Program #2), for a detailed contract/incentives follow up discussion; (b)(3)
- 3) former/knowledgeable contracting staff for the [Redacted] Program #3) program (I understand the lady my team met with was new to the program, and thus did not have the level of historical perspective/rationale that we need to understand the contract(s)/incentives for that program); and finally,
- 4) we need to pick up the last set of NRO-reviewed PNM notes.

My team has suggested one or more of these could be accomplished during a single visit to Chantilly, possibly the week of Feb. 6. Will you please check with the appropriate people to see if they can accommodate? I will likely join the meeting(s) via secure VTC or phone.

Thanks very much, [redacted] (b)(3)

When you receive this request, and as you are able to schedule the meetings, please update me via my Internet email

Cheers, I look forward to someday meeting in person!
