I'm not sure how I missed this email, but I overlooked it last week and I'm reaching out to the program office now to get you the answer.

Thanks for sending the outstanding docs for SHARP and [Redacted]. By my records, all requests have been satisfied for these two programs (with the exception of the PNM's which will be provided onsite, as previously discussed). I do have one outstanding item on [Redacted] which is to follow up on the Acquisition Board Charts. I have one set of charts from Jan 1997 for th FIA architecture. Can you please confirm with the [Redacted] program that no other Acquisition Strategies/charts exist for [Redacted].

Thanks so much for your help and organization on our numerous requests. You are an excellent liaison!
