Thanks for the copy [Redacted] and for replying to my inquiry about ODNI. Just FYI, we don't have a process to determine whether or not to send a notice of visit to ODNI when it's unclear. However, we sometimes get pinged later and I just wanted to avoid that if I could. In any case, I'm only sending one to DOD since the Air Force is specifically mentioned in the request letter. I will be getting those letters out soon and will let you know when they are on their way. As always, thanks so much for your help.
