<b>Primary Investigator:</b>	(b)(3)

## Allegation Information

**Narrative:**  
 OIG received information indicating a possibility that several [redacted] employees may have been double billing the NRO and NGA by claiming to work at both agencies at the same time. Badge records were requested from both NGA and NRO. NGA records indicated the employees were visiting the NGA headquarters in Springfield. NRO badge records revealed the individuals did not access any NRO facilities during the time. [redacted] ethics officer/attorney was contacted to request timesheets and also to confirm which NRO contracts, if any, the employees were supporting. Attorney responded indicating neither employee was supporting the NRO during this time and they were both supporting NGA
