(b)(3)

(U) Program Specific - CRDLs

(U) Program Protection Plan

(U) The Contractor shall provide a brief synopsis, a Program Protection Plan (PPP) identifying how the work shall be executed to protect the customer and the potential National Reconnaissance Office (NRO) applications within SECRET/TOP SECRET classification and controls. A corporate Standard Operating Procedures (SOP) or Standard Practices and Procedures (SPP), for day-to-day operations, shall be attached to the PPP but is not to be reiterated in the body of the PPP.

(U) The Draft PPP shall be delivered 30 Days After Contract (DAC) award, a Final version at 60 DAC, and shall be maintained current during the period-of-performance. Any updates to the PPP shall be immediately forwarded to the Contracting Officer.
