MEMORANDUM FOR : Director of Special Projects
Deputy Director, OEL

THROUGH : Program Director, EOI/OSP

SUBJECT : Forwarding Information on Large Antennas

1. During a recent E Program discussion at which site cover plan possibilities were reviewed, Mr. J. McMahon suggested that the current uses of large antennas be compiled and reviewed for concepts that may be helpful in developing a cover plan for the E Program.

2. Attachment I is a compendium of large antenna sites and their utilization, obtained by [redacted] from within the CIA. Attachment II lists several additional sites and includes failure history data prepared by Westinghouse.

(b)(3)

3. Preliminary efforts are underway to develop a list of large "black" antennas used by the United States and their related cover information.

CHARLES E. ROTH, JR.
