(U) The coin design below is for the Ground Enterprise Directorate (GED). Side one of the coin includes a globe and the text "National Reconnaissance Office" and "Ground Enterprise Directorate". There are no hidden meanings in the design. Side two of the coin is comprised of "1s and 0s" to depict data; and the text, "Harnessing the Power of Data" and "The Magic is in the Ground", the vision and motto of GED. No other meaning is intended in the coin design. The color shown will be the color of the coin. The color has no meaning.
