UNCLASSIFIED Logo Description

(U) The National Reconnaissance Office Launch (NROL) 61 logo depicts a green lizard riding an Atlas V launch vehicle from Cape Canaveral Air Force Station.

The three small stars on the logo represent the NROL-61 team members from the Department of Defense, Intelligence Community, and industry that have joined efforts to make the mission successful. The large star represents the integrated teamwork from these personnel in the NROL-61 Program Office.

This logo has no hidden meanings and the colors used have no symbolic significance. All were chosen for aesthetic reasons and are purely the result of artistic license.
