New SIGINT Logo Design

The satellite creates the "I" in "SIGINT" and is a generic satellite clip art.

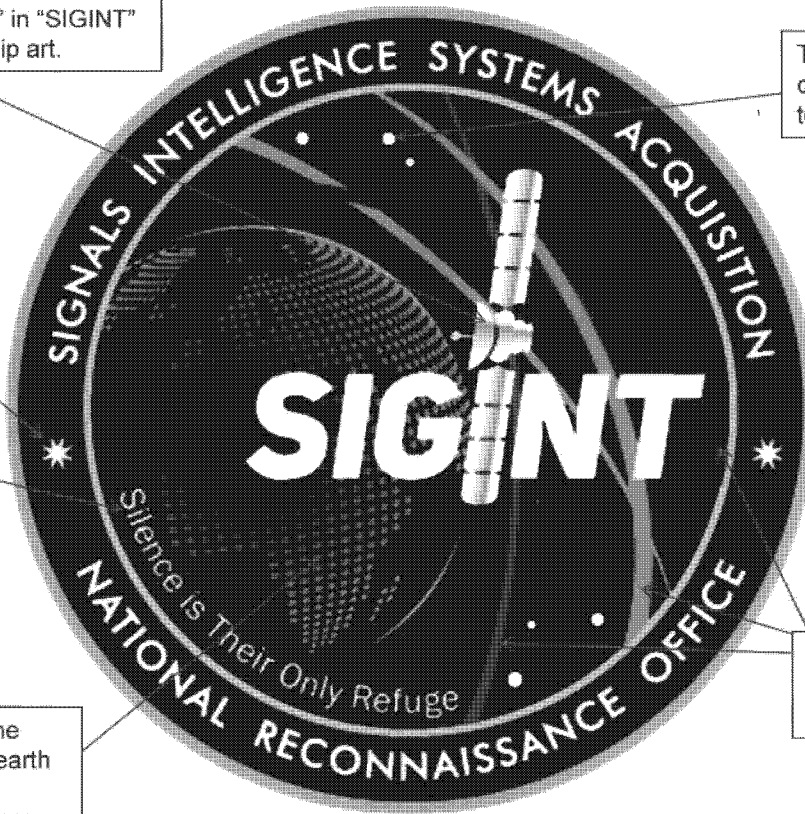

The number and placement of the "burst" design element are used for graphical balance and have no technical/classified meaning.

"Silence is Their Only Refuge" is the SIGINT motto.

The dots creating the landmasses of the earth are a clean/modern design feature and are aesthetic in nature only.

The number and placement of the stars have no technical/classified meaning.

Multicolored arcs represent generic orbits. The colors have aesthetic value only.
