(U) Symbolism

(U) The border is a darkened shade of "NRO Blue" as described in *NRO Brand Style Guide*, symbolizing cross-organization collaboration required for mission success

(U) The rocket silhouette closely resembles the silhouette of an ATLAS-V 541, the NROL-42 launch vehicle

(U) The rocket plume silhouette represents the ATLAS-V exhaust trail

(U) NROL-42 launches from Vandenberg AFB

[Redacted] (b)(1)
(b)(3)

(U) The starry field is random with no specific meaning to placement or size

(U) Solid color background for stars and rocket

(U) The bear's stance indicates motion, representing the unceasing motion of the satellite along its orbital path. Use of a Grizzly Bear has no significant meaning.
