(U) The Federal Women's Program Logo prominently displays the image of the Statue of Liberty and the American Flag. Lady Liberty, widely known as welcoming diversity to the United States, is holding the scales of justice high symbolizing the quest for equality. The star burst behind her illustrates the power and inspiration that one woman can demonstrate.

(U) The Federal Women's Program is active throughout the government and the armed forces as a resource to government personnel as they work to achieve a high level of performance and equal opportunities in the workforce. The American Flag symbolizes how this ERG reaches out across the entire country through the high performing women in each organization, including the National Reconnaissance Office.
