13 September 2018

To: (U) DigitalGlobe, Longmont, CO
 Attn: (U) [redacted] Customer Experience -USG
 From: (U) [redacted] GEOINT/CSPO Contracting Officer
 Subj: (U) "EVFO Extension and SecOps" Request for Proposal
 (U) [redacted]

(b)(6)
 (b)(3)
 (b)(6)

~~(U//FOUO)~~ The Government requests a Firm Fixed Price (FFP) proposal be submitted for an additional 3 option years for CLIN 0001 - Commercial Satellite Imagery - Service Level Agreements for Pixel and Imagery Acquisition/Operations as detailed in the Statement of Work for the EnhancedView Follow-On. Additionally, the Government requests a proposal for the new CLIN 0003 - SecOps Modernization task. This task is detailed in the Statement of Work for the EnhancedView Follow-On – section 4.4. The anticipated CLIN Structure is as follows:

CLIN	Type	Description	Period of Performance
CLIN 0001AC (Option Year 2)	FFP	Commercial Satellite Imagery - Service Level Agreements for Pixel and Imagery Acquisition/Operations.	1 September 2020 – 31 August 2021
CLIN 0001AD (Option Year 3)			1 September 2021 – 31 August 2022
CLIN 0001AE (Option Year 4)			1 September 2022 – 31 August 2023
CLIN 0003	FFP	SecOps Modernization	ATP – 31 August 2020

Table is ~~(U//FOUO)~~

(U) Your proposal shall contain both a price volume and a technical/management volume. The price volume shall include a top-level summary and a complete price element breakdown for your total proposed price. This volume shall be detailed enough so that we can perform an adequate price analysis to determine if the offer is fair and reasonable.

(U) Additionally, your proposal shall provide a comparison between average price per square kilometer (tasking and archive) under the Service Level Agreement compared to the commercial market average price per square kilometer. The proposal shall provide an average square kilometer obtained by the Government under the Service Level Agreement per month (tasking and archive). Provide average price per square kilometer (tasking and archive) of nearest sized customers.

(U) The Price Volume may be submitted in any format, but must contain:

- (U) Proposed Hours
- (U) An Excel spreadsheet with active formulas showing the estimated build-up of all costs with no hidden information

~~SECRET//NOFORN~~
