MEMORANDUM FOR GENERAL ALLEN

SUBJECT: ICPC Meeting of April 2, 1970

John McL has concurred that I chair the ICPC meeting. Left to my own devices, I would take up the subjects in the following order for reasons of sensitivity:

1. SR-71
2. 147/154 Drones
3. D-21 Drone
4. U-2
5. Satellites

Do you agree? I am aware that the agenda has been published but do not feel that an order change will require republication.
