MEMORANDUM FOR DR. NAKA *JRH*

SUBJECT: Membership of the ICPC

The previously approved contingency plan covering satellite operations was dated March 31, 1965. At that time, ICPC constituency was reflected as follows:

<u>Organization</u>	<u>Name</u>
Chairman	Dr. Brockway McMillan
White House	Mr. Peter Jessup
State Department	[Redacted]
CIA	Col Jack Ledford
	[Redacted]
USAF	Col Leo P. Geary
JCS	Col Ralph D. Steakley
DIA	Col James Cole
 <u>Secretariat</u>	
	BGen James T. Stewart
	Mr. Louis F. Mazza
	Lt Col Richard S. Quiggins
 <u>Advisors</u>	
USAF (SAFOI)	BGen Maurice F. Casey

(b)(3)

Since 1965, the ICPC Secretariat has received a number of written and informal verbal notifications of changes in personnel. Consequently, during the latest ICPC exercise there was a need not only to update the plans, but also to update and correct a fairly informal membership situation. In addressing this question, the ICPC Working Group came up with the recommended list of individuals that you met on April 2nd. Their names are reflected in our current proposed plan as follows:

Chairman	Dr. John L. McLucas
White House	Mr. Frank M. Chapin
State Department	[Redacted]

(b)(3)

In a sense, this new membership is not approved until Dr. McLucas and Mr. Packard approve the newly revised Satellite Contingency Plan.

In preparing this new membership list, the ICPC Working Group did not consciously exclude Colonel Hartley. Instead, the Working Group reviewed the matter from an organizational standpoint and reflected in the new list those organizations which they felt should be represented. As it turned out, the new list added ASD/PA in an advisory capacity and left off Colonel Hartley.

If one considers the people who have functional responsibility when a contingency arises, I think the present list is correct. OSD/PA must understand and execute its role. Individuals in elements such as SAFSP, CIA/OSP, Program D, and the USAF-147/154 office do not have the same sort of functional roles as the ICPC Members.

Individuals in SAFSP, CIA/OSP and Program D participated in preparing, reviewing and coordinating those contingency plans which pertained to their particular programs.

I think we have the right membership now. It has been muddled in the past, and that is what we have been anxious to clarify.
