

PERKIN-ELMER

NRO APPROVED FOR RELEASE
DECLASSIFIED BY: C/IART
DECLASSIFIED ON: 25 JULY 2012

Date: August 26, 1971
8761-JS-134

To: L. B. Molaskey

From: J. P. Shanley

Subj: Telephone Conversation From Metal Masters, Inc., Regarding Quote on "Hook".

J. Canepari personally delivered prints of the latest "Hook" layout to the subject company on 8/24/71. Their Mr. Al Brigante was here for a vendor's briefing on the previous design on 8/20/71.

It was established that their quotation would include:

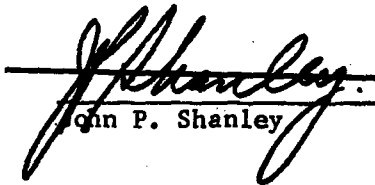

- all material and hardware (this includes the large compression spring only if it is commercially available "off the shelf").
- all fabrication; assembly and painting
- demonstration of satisfactory operation in air
- crating of unit for shipment

Mr. Brigante telephoned a quotation of \$6000.00 on 8/25/71.
