OPTICAL TECHNOLOGY DIVISION
MEMORANDUM

September 9, 1971

SEP 10 1971

To: L. Molaskey

From: J. Ross

Subject: Telecon Report - [REDACTED] J. Ross 9/9/71

The undersigned called [REDACTED] to advise that the shipping container for the RV-3 recovery will be tested on 14 September 1971 at the place of manufacture and delivered to Willow Grove on 16 September 1971 to be air lifted. [REDACTED] agreed that this date was acceptable, but commented that it was success oriented.
