OFFICE OF THE DIRECTOR

MEMORANDUM FOR REAR ADMIRAL L. W. MOFFIT

SUBJECT: Navy U-2Rs

Reference our discussion Thursday, 28 March 1974.

For planning purposes, the following are tentative aircraft numbers and transfer dates of U-2s to be loaned to the Navy:

<u>Aircraft Number</u>	<u>Date</u>
AF #68-10329 (Lockheed #051)	1 July 74
AF #68-10333 (Lockheed #055)	1 October 74

I believe these two aircraft are best suited for your needs since they are low time and are the least modified with peculiar mission equipments.

Both aircraft are presently assigned to the CIA's IDEALIST Program. The actual dates of transfer will depend upon program termination.
