MEMORANDUM FOR GENERAL KULPA

SUBJECT: Briefing to PFIAB Executive Secretary

Recently I offered the NRO briefing to Mr. Wheaton Byers, Executive Secretary of the PFIAB, and his assistant, Cdr L. H. Olmer. They have accepted and we have tentatively set aside two hours either Thursday morning or Friday morning, September 20 or 21. They would like very much to meet with you and other key members of the Staff to hear our regular front end and systems briefing. In addition they have asked for some discussion time. They indicated a desire to work some specific issues with respect to the NRP, and that they would ask us for inputs. I do not know the exact nature of what they intend to do. While we do not wish to make an additional work load on the Staff, we should explore ways in which the PFIAB can be of assistance to our cause.

Will it be possible for you to meet with these gentlemen on the 20 or 21?

FREDERICK L. HOFMANN
Lt Colonel, USAF
