BASIC POLICY CONCERNING SAMOS

PURPOSE. This instruction establishes the basic policy and the procedures that will be followed in the SAMOS project. (U)

1. BACKGROUND:

a. Secretary of the Air Force Order No. 115.1, dated 31 August 1960, established the Office of Missile and Satellite Systems in the Office of the Secretary of the Air Force. It provides that the Director of the Office of Missile and Satellite Systems is primarily responsible for assisting the Secretary in discharging his responsibility for the direction, supervision, and control of the SAMOS project. (U)

b. Secretary of the Air Force Order No. 115.1, dated 31 August 1960, directed the organization of a SAMOS Project Office as a field extension of the Office of the Secretary of the Air Force. It specifies that the Director of the SAMOS Project is responsible to and will report directly to the Secretary of the Air Force. (U)

2. POLICY. In recognition of the special management procedures and the necessity of achieving the program objectives at the earliest date, the following policy is established for the SAMOS program: (U)

a. No information concerning this program will be initiated by Air Force organizations. ~~(S)~~

b. This program is a research and development (R&D) effort aimed at the development of various promising reconnaissance techniques. (U)

c. The R&D program will include all the necessary elements to insure that the data which are obtained can be efficiently and promptly exploited. ~~(S)~~

d. The nature and character of an ultimate operational system is completely conditional upon the success of the methods which will be exploited in the R&D program. Therefore, as soon as sufficient R&D progress is made to justify effective operational planning, specific instructions will be issued to insure timely integration of this system in Air Force operational inventory. ~~(S)~~

3. PROCEDURES:

a. SAMOS project information will not be included in the Program Documents (example: PG, PD) described in AFM 27-1. (U)

b. SAMOS project information will be furnished as necessary for legislative matters by the Director of the Office of Missile and Satellite Systems. (U)

c. The Director of the Office of Missile and Satellite Systems will keep the key elements of the Air Staff and the commands informed, as necessary, regarding this program. (U)

d. Documents reflecting Air Force requirements for reconnaissance will continue to be prepared and should be forwarded through normal channels to the United States Intelligence Board for consideration in SAMOS project requirements. ~~(S)~~
