The Honorable Joseph V. Charyk
The Under Secretary of the Air Force
Washington 25, D. C.

Dear Dr. Charyk:

I have recently designated George Miller vice General Philip G. Strong as the control officer within CIA for Projects POPPY and BARKOP. Mr. Miller is the Assistant Director for the Office of SSI/TF and in this capacity is in the best position to pass on the "need-to-know" for access to such projects. In accordance with previous procedures, Mr. Miller will forward such requests to the appropriate program directors for final approval.

Until such time as procedures are issued for the handling of HISSLE and WALNUT materials within the S/MI system, Mr. Miller will also act as HISSLE and WALNUT Control Officer.

Sincerely,

(3)
HERBERT SCOVILLE, JR.
Deputy Director
(Research)
