THE DIRECTOR

12 September 1966

MEMORANDUM FOR ADMIRAL FLUCKEY, Director of Naval
Intelligence

SUBJECT: Appointment

In response to Admiral Taylor's memorandum, BYE-23048-66,
dated June 6, 1966 and to Captain Rindskopf's recommendation,
BYE-23053-66, dated August 24, 1966, you are hereby appointed
Director, National Reconnaissance Office Program C.

I understand from General Stewart, the Director of my NRO
Staff, that he has had the opportunity to acquaint you with all the pro-
jects and activities of the National Reconnaissance Program. The
POPPY Project is, of course, our oldest SIGINT satellite operation
and has produced a significant amount of technical intelligence,
matched by no other capability to date. I consider the continuation
of this effort to be an essential part of the National Reconnaissance
Program.

Please call on me if I can be of assistance to you in your new
position.
