Memorandum

~~TOP SECRET~~

TO : Code 5400

DATE: 26 July 1965

FROM : Code 5430

SUBJECT: Overtime authorization; request for

Ref: (a) Priority assignment of Brickbat .01 to 54R06-29 on 1 Jan 1964

1. The priority efforts of Problem 54R06-29 during the past month and during the period of the next two months are in the area of (1) antenna development in the operational complex now located at the Hybla Valley trailer assigned to Code 5435, (2) research and development toward the design of the new receiving equipment which is needed for operational enhancement of the data being collected on problem 54R06-29. The effort (1) above is not such that it can be scheduled to take place between the normal 8:00 to 4:30 working hours since the work must be scheduled to coincide with natural phenomena not under our control. The work of (2) above is of great priority and must be completed for field tests here and in Europe before the end of September by CNO schedule.

2. It is requested that overtime in the amount of 16 hours per week for the remainder of July and August be authorized for the employees listed below. Overtime will be worked only as necessary.
