" "
Crosley
" "

(e) PURPOSE OF CONFERENCE
To consider initial plans proposed by Crosley
for work under contract NO. 54-671C

(f) TIME CONSUMED IN CONFERENCE
6 hours

BRIEF OF RESULTS

Crosley has a ~~to~~ BuAer contract to develop four models of the AN/ALD-() direction finder. This equipment is to be patterned after the NL/ALD-A direction finder developed by NRL under 54R06-14. The principal effort of Crosley will be directed toward miniaturization of the ~~SECRET~~ which will be engineered from so that it is suitable for large-scale production.
