Memorandum~~Top Secret~~

TO : 5600

DATE: 15 Sept 1967

via 5610
FROM : 5614

SUBJECT: Overtime, authorization, request for.

1. During the period 18 September through approximately 25 Oct, members of the EW Division staff will be deployed to [redacted] NRL for a long awaited Up-dating of the/electronic system used on NRL Problem 56R06-29. This effort is particularly significant and urgent because of the operational aspects of the effort. The up-dating will have to take place with a minimum interference with the operational capability of the site. It is certain that personnel must work "Odd Hours" and in general the effort will demand excess of 40 hours per week per man. Therefore it is requested that the following men on this team be granted authorization for overtime in the ammount of 16 hours per week per man for the period of this overseas trip:

C.W. Price

F.V. Hellrich

[redacted]
Wm. McDavit.

E.G. Becke

Reid D. Moore
