*DIR PPV C' INT and
to NRL BYE-51903-68 of 18 Dec 68*

MEMORANDUM FOR THE DIRECTOR, PROGRAM C

SUBJECT: F.Y. 1969 Initial Program Approval, NRL POPPY Effort

Reference Director, Program C BYE-64616-68, which forwarded NRL cost estimates for POPPY missions 7106 and 7107, and subsequent discussions with NRL personnel.

The FY 1969 initial funding approval is \$6,738 thousand gross, less \$500 thousand anticipated carryover from FY 1968 funding, or new FY 1969 funds of \$6,238 thousand. This approves the submitted "Option 1a and 2a" FY 1969 column, less a deferral of \$427 thousand related to analog-to-digital conversion at [] pending further review.

The program base is hereby adjusted to a January 1969 launch of mission 7106, 18 months separation for subsequent launches, four payloads per POPPY, [] and launch on Thorad/Agema.

In recognition of the schedule change on 7106 to January, it is expected that the FY 1969 cost distributions between 7106 and 7107 will change, as well as the FY 1970 cost distributions between 7107 []. Accordingly, a resubmission of the distributions in both fiscal years is requested by not later than August 12, 1968.
