1. THIS IS A VERBATIM TEXT COPY OF MY 091600Z  
TO YAMKEE HOTEL/ELINT ONE. QUOTE  
E/YH/ELO/016-68-OPERATIONAL ASPECTS OF EMITTER REPORT (OASER)  
BALTIC AREA (C)  
SUBJ: INDICATIONS OF SOVIET BLOC NAVAL EXERCISE IN THE GENERAL  
SOUTHWEST BALTIC AREA.

1. ON 08 AUGUST 1968 THE [ ] MOBILE VAN LOCATED AT [ ]  
[ ] ACCOMPLISHED SEVEGAL INTERCEPTS WHICH TEND TO  
INDICATE A MAVAL EXERCISE BEING CONDUCTED BY SOVIET BLOC  
FORCES. INTERCEPTS WERE AS FOLLOWS: ONE SHEET BEND [ ]  
[ ]

THE SHEET BEND RADAR WAS OBTAINED ON A LOB OF 075 DEGREES  
WHICH EQUATES TO A SITE LISTED IN THE DIA EOB AS 01 00081  
[ ] LOCATED ON THE [ ] RADAR  
WAS OBTAINED ON AN LOB OF 070 DEGREES AND TWO ON AN LOB  
OF 075 DEGREES. THE TWO [ ] RABARS WERE OBTAINED  
ON AN LOB OF 075 AND 070 DEGREES RESPECTIVELY. THE LAST  
INTERCEPT OF THE [ ] RADARS WERE OBSERVED  
OPERATING SIMULTANEOUSLY. IN VIEW OF THIS FACT AND THAT  
ALL INTERCEPTS WERE OBTAINED ON AN LOB OF 070-075 DEGREE SO  
IT IS BELIEVED THAT A SOVIET BLOC NAVAL EXERCISE WAS  
TAKING PLACE IN THE GENERAL SOUTHWEST BALTIC AREA. UNQUOTE.  
300
